

**REGENTS BOARD[681]**

**Notice of Intended Action**

**Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”**

**Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.**

Pursuant to the authority of Iowa Code section 262.9(3), the Board of Regents hereby gives Notice of Intended Action to amend Chapter 4, “Traffic and Parking at Universities,” Iowa Administrative Code.

The proposed amendment revises rule 681—4.26(262) to amend the definitions of “bicycle” and “motorcycle” at Iowa State University. Iowa State University reports that electric bicycles are increasingly being brought to campus, and the rule should be clarified to recognize this mode of transportation.

Any interested person may make written comments on this amendment on or before May 11, 2010, addressed to Andrea Anania, Board of Regents, State of Iowa, 11260 Aurora Avenue, Urbandale, Iowa 50322-7905; fax (515)281-6420; or E-mail at [anania@iastate.edu](mailto:anania@iastate.edu).

A waiver provision is not included. The Board has adopted a uniform waiver rule, which may be found at 681—19.18(17A).

This amendment is intended to implement Iowa Code section 262.69.

The following amendment is proposed.

Amend rule **681—4.26(262)**, definitions of “Bicycle” and “Motorcycle,” as follows:

“*Bicycle*” means any vehicle ~~which is not self-propelled and which is designed to be pedaled by the rider. Any bicycle equipped with a motor is considered a motoreycle and subject to the traffic and parking regulations for motoreycles~~ having two or three wheels and fully operable pedals which is either a traditional bicycle designed solely to be pedaled by the rider or an electric bicycle designed not only to be pedaled by the rider but also propelled by an electric motor of less than 750 watts (one horsepower).

“*Motorcycle*” or “*moped*” or “*motorized bicycle*” means any vehicle which is self-propelled and has ~~less fewer~~ fewer than four wheels in contact with the ground and is not a bicycle or an electric bicycle. For purposes of these rules, a moped or motorized bicycle is considered a motorcycle.
